

Church of Witchcraft Embers Mentorship Program

The Church of Witchcraft (here in known as TCW) continues their on going mission to support self actualization, manifestation, and expression through the Craft. To this end, we support new witches (here in known as 'EMBERS'). Embers are by nature the future of Witchcraft. TCW sees the value and importance of Embers and thus we support them and act as a paragon of Magical excellence.

Since you are reading this document, you are seeking direction from a member or members (here in known as 'MENTOR') of TCW. To ensure the fidelity and integrity of this program and TCW mentors will act in their own and then their TCWs best interest. That being said we do have some guidelines.

1. Mentorship will last for a period not to exceed three months. Exceeding this time will be at the behest of the Mentor and TCW.
2. Two, one hour sessions per month and bi-weekly. Scheduling will be between the Mentor and the Ember. Exceeding this allotment is at the behest of the Mentor and the Ember.
3. If there is concern for health or safety TCW will act as mandatory reporters first and foremost.
4. As an Ember you are expected to act with respect, dignity, and sincerity. Any form of harassment, threats, stalking, insincerity etc. will be grounds to terminate the mentorship at any time. A formal notice will be sent citing a violation if it occurs.
5. If a Mentor is unsafe we expect an Ember to report them to the Synod of the Sacred Circle (synod@churchofwitchcraft.org) and further investigation will take place.
6. An Ember is not a formal member of TCW. If an Ember wishes to seek affiliation with TCW we encourage you to do so. Ask your Mentor and they will direct you or you can contact TCW at synod@churchofwitchcraft.org
7. The content for mentorship will be individualized and unique. Each Mentor and Ember will determine what are best practices and content for instruction and/or guidance.
8. Embers may terminate the mentorship for any reason at any time.
9. Compensation is not required. However,TCW does encourage donations and can be done through our website in the Affiliation section.
10. TCW cannot guarantee we have enough resources to support every inquiry. We do our best to respond within one week's time to new Embers. All Embers will be placed on our waiting list if a Mentor is unavailable and we will contact Embers via email when a Mentor is available on a first come first serve basis.
11. All information you provide is private unless it is regarding guidelines 3 and 4. The only people that we will share information with is relevant Synod members and the Mentor.
