

Thank you for your interest in the Church of Witchcraft. We are always open to fellow witches and those that are curious about witchcraft. The church holds that we are only one way and not *the* way. Our members are curiosity seekers, pioneers, and find magic in every corner of their lives.

We are sensitive to those that aren't open about their beliefs yet and if you want to remain anonymous please let us know so we can respect your position. The best ways to get involved in is within our Discord group, your local community, and our social media accounts. There are events every month to join in both in Denver and Colorado Springs.

Tell us a little more about yourself below and we look forward to seeing you at a future event. You can send this Affiliation Form when completed to **[synod@churchofwitchcraft.org](mailto:synod@churchofwitchcraft.org)**
